Subject: Contract Renewal Request · VSC-2024-047

Dear Mr. Rodriguez,

I hope this letter finds you well. As the current term of our Vendor Service Contract (VSC-2024-047) approaches its expiration

Over the past year, DataFlow Solutions has consistently delivered high-quality data pipeline management services that have s

However, as we look ahead, we would like to discuss the following modifications for the renewal term:

1. Extended Term: We propose a twenty-four (24) month renewal term instead of the current twelve (12) months, in exchange
2. Increased Data Threshold: Our data volumes have grown substantially. We request increasing the monthly data processing
3. Additional Services: We are interested in adding the following services to the scope:
 - Predictive analytics dashboards
 - Automated anomaly detection
 - Weekly data quality reports
4. Pricing: Given our commitment to a longer term and increased scope, we propose a revised monthly fee of \$18,000 (reflecti
5. Enhanced SLA: We would like to discuss upgrading the data pipeline uptime guarantee from 99.95% to 99.99%.

We believe these terms reflect a fair balance between expanded services and our growing partnership. I would appreciate the

Please respond within two weeks so we can ensure a smooth transition into the renewed term.

Best regards,

Sarah Chen
